*"Doing things a little differently
within the community!"*

- Develop New Skills
- Achieve Within Your Community
- Become Part of a Team
- Discover Your Potential
- Build Friendships and Confidence

We are a person-centred day service, in Melton Mowbray, for learning disabled adults. Doing things a little differently within the community!

We see the value in every individual and focus on nurturing their abilities and sharing this progress within the Melton Mowbray area.

We want to create a community where learning disabled adults are not only accepted but celebrated. We take action and lots of it! We'd love you to join us.

Much of the produce we sell at Melton Country Park Cafe is our own cooking cooking & baking and is made from scratch.

Our staff and Welly's Workers work hard in both our kitchens to create fresh produce to sell in the country park cafe and we also bake cakes to order.

We pride ourselves on managing every aspect of the cafe, food, drink and activities together as a mutually supportive team.

Performing Arts

"Building confidence"

Performing together builds friendships, confidence and lasting memories.

We curate numerous performances every year, ranging from more informal singing & dancing events during our weekly sessions, through to stage shows and pantomimes with an audience. And we all love them!

Creativity, arts and crafts are a big part of what we do at our workshop in Melton Mowbray.

We have a well equipped workshop with equipment for painting, collage and fabric work. We have a fantastic pool of experienced arts and crafts professionals that visit us to teach varied and interesting new workshops and skills.

Sunny Stables

Our 3 acre plot of land near Waltham on the Wolds is a natural space to exercise, grow, play & create.

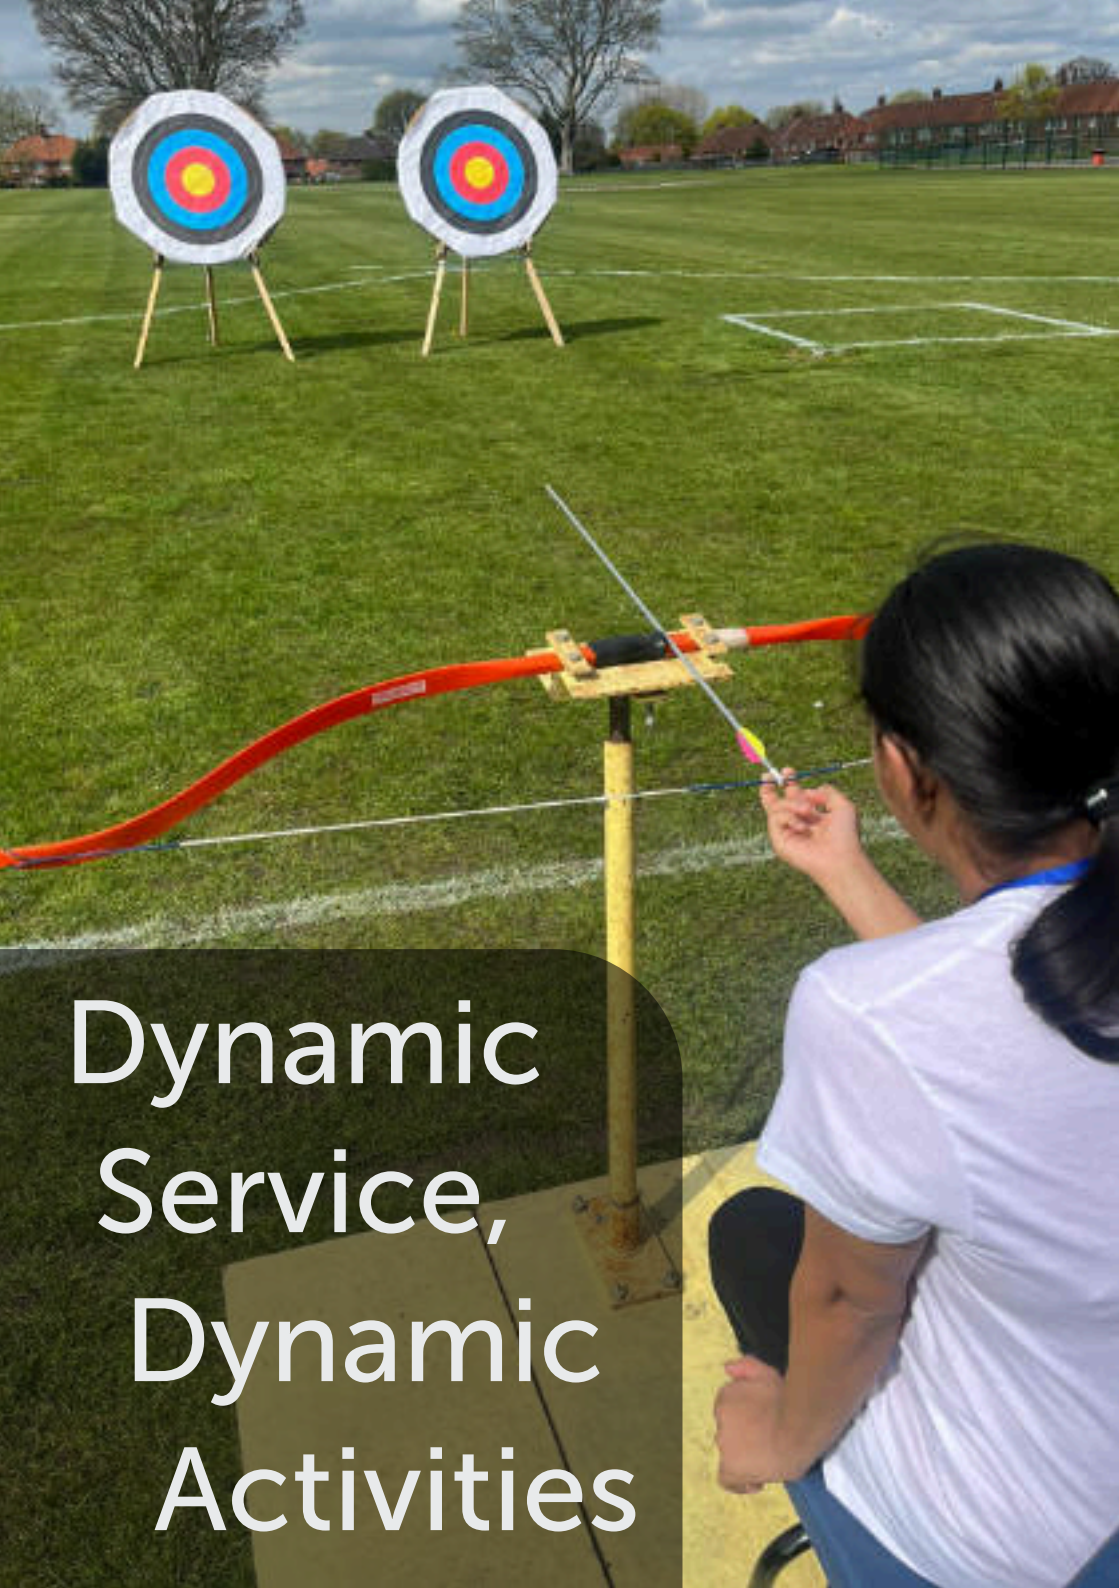

Ever since Welly's Work Place started in 2018, we have worked towards establishing an outdoor activity space for people to work, learn, grow, flourish and relax.

Sunny Stables is this place and we are so excited about what will be happening in the coming years!
